

LIST OF THE WORKSHOP EQUIPMENT

Item #	Workshop Equipment & Facilities	Location		
		Tbilisi (Y/N)	Gori (Y/N)	Zugdidi (Y/N)
DIAGNOSTIC TOOLS				
Professional multi-brand or dedicated diagnostic computers with OEM software for:				
1	Toyota (SUV, pick-up trucks, bus)			
2	Renault/Dacia (SUV)			
3	Ford (minibus)			
4	Volvo (SUV)			
5	MAN (truck)			
6	IVECO (light truck)			
TECHNICAL DOCUMENTATION & WORKSHOP REPAIR MANUALS, for:				
1	Toyota (SUV, pick-up trucks, bus)			
2	Renault/Dacia (SUV)			
3	Ford (minibus)			
4	Volvo (SUV)			
5	MAN (truck)			
6	IVECO (light truck)			
MANDATORY TECHNICAL INSPECTION & ROADWORTHINESS TESTING				
suitable for the vehicles with GVW ≤ 3.5 tonnes				
1	Mandatory technical inspection station (for pre/post-repair testing)			
MANDATORY TECHNICAL INSPECTION & ROADWORTHINESS TESTING				
suitable for the vehicles with GVW ≤ 7.5 tonnes				
1	Mandatory technical inspection station (for pre/post-repair testing)			
REPAIR ENGINE, TRANSMISSION				
1	Mobile shop crane (engine hoist)			
2	Compression tester kits			
4	Transmission/drive train jack heavy duty			
REPAIR FUEL (Diesel, petrol & hybrid) & COOLING SYSTEMS				
1	Universal high-pressure fuel tester kit			
2	Common-rail Diesel & GDI petrol injector test & calibration bench			
3	Cooling system pressure tester kit with universal adapters			
REPAIR BRAKES, SUSPENSION, STEERING				
1	Pneumatic brake & clutch bleeder (ABS & braking control compatible)			
2	Four-point digital wheel alignment kit (for post-repair calibration)			
REPAIR BODY, STRUCTURAL FRAME & PAINTING				
1	Auto body frame alignment machine (chassis pulling bench)			
2	Multi-process welding machine (MIG/TIG/MMA)			
3	Car spray paint booth (ventilated & infrared baking lamps)			

REPAIR ELECTRICAL SYSTEMS				
1	Universal starter/alternator component test bench			
REPAIR AC SYSTEMS				
1	AC gas recovery & recycling station			
WHEELS & TIRES				
15 - 20 inch, heavy duty and run-flat system capable				
1	Tire changer & Dynamic wheel balancer			
2	Rim straightener / Wheel repair machine			
OTHER EQUIPMENT & FACILITIES				
1	Automotive lift, minimum 5.5-tonnes capacity			
2	Automotive lift, minimum 2.5-tonnes capacity			
3	High pressure car wash			
4	Parking area, secured by guard station or 24/7 CCTV
